We are offering potted plants this season. We find them more satisfactory than tubers. Our plants are grown in the open and are hardy. They are shipped in the pots they are grown in and can be planted at any time.

Orders for plants will be filled at a 25% Discount on tuber price. When Plants are sold out we reserve the right to fill the order with tubers.

Note our special collection offers Nos. 1, 2, 3 and 4, which will gladden the hearts of any flower lover. They are all easily grown and are of the large flowering type. Never offered at this price before. The reason we can offer them at this price is because we grow a quantity of them.

The Red-E is the cheapest because it is the best

Does Work of 4 Men or 1 Horse

THE Red-E Power Cultivator seeds, weeds and cultivates narrow row crops, does light plowing, prepares beds in greenhouses, weeds, cultivates, discs, harrows, pulverizes and mulches between wide row crops, mows the lawn, does stationary power work and hauls light loads. Cultivates within $\frac{1}{2}$ inch of plants. Automatic tool steering device makes it easy to guide tools. Endorsed by leading growers.

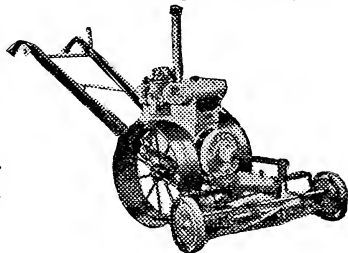

Power Cultivator

Sturdily built and perfectly balanced, with 4 H. P., 4-cycle Air-Cooled Engine, Bosch Magneto, Automatic Lubrication and Complete Dust Protection. Differential Wheels. Many parts interchangeable with well-known, low-priced auto. Uses Planet Jr. Wheel Hoe and One Horse Tools—all easily attached or detached. Throttles to slower speed than any other power cultivator. Turns easily.

Power Lawn Mower

The Red-E equipped with our 31-inch lawn mower is ideal for mowing lawns, parks, cemeteries, estates and golf courses. The mower can be attached in a few moments and once on furnishes an outfit that will take the place of six men with hand machines.

We'll gladly demonstrate the Red-E—See us NOW.
